LOYAL MOOSE ENTER
A Social Given by the Area L. O.
M. Was Greatly Enjoyed by Many
Moose and Their Friends.

Last evening the genial Moose
brethren of Arcadia entertained
handsomely with a social which was
enjoyed by a herd of Moose and their
friends about one hundred strong.

The Moose home in the new Fra-
ternal building was in gala attire, and
invited friends were received with
open hearts and glad hands. An ele-
gant spread was provided, and
speeches galore were enjoyed. Mr. A.
L. Durrance in a most pleasant ad-
dress welcomed the guests, and the
guests responded with toasts in turn.

It was a congenial get-together, good
fellowship assembly, and everybody
that attended greatly enjoyed the re-
ception.

The local Moose organization is one
of the strongest fraternal orders in
Arcadia, and is composed of a most
congenial set of Arcadia gentlemen.
Long live the Moose, and may the
herd be ever on the increase.

CENTRAL HIGHWAY
AROUSSES ENTHUSIASM.

Orlando Delegates Represent Various
Counties, and Highway Seems
Assured.

Orlando, June 11.—The greatest
meeting in behalf of good roads ever
held in Florida convened in Orlando
yesterday to select a central highway
route through the state, and enthusi-
asm runs high for a fine highway
system.

Charles P. Dow, of the Orlando
Board of Trade, called the meeting to
order, and Mayor E. F. Sperry de-
livered an address of welcome. T. Ed
Bryan, of Tampa, was selected as
temporary chairman.

Much time was spent in discussing
a constitution and by-laws, and per-
manent organization was delayed. E.
A. Elliott, of Palatka, acted as sec-
retary.

The various counties are represent-
ed by several hundred delegates, in-
cluding many of the most progressive
men in Florida.

Clark Howell, editor of the Atlanta
Constitution, and chairman of the
Dixie Highway Commission, was un-
able to attend.

The visitors were banqueted by the
Orlando Board of Trade yesterday eve-
ning, and during the afternoon they
were taken for an automobile ride
over Orange county's new brick road
system.
